STRATEGY NETWORK

*Research to Improve Policy
and Strengthen Democracy*

The UC Davis Institute for Social Sciences presents an interdisciplinary policy engagement workshop to be led by representatives of the **Scholars Strategy Network**, an organization that seeks to improve public policy and strengthen democracy by connecting scholars and their research to policymakers, citizens associations, and the media.

The workshop will offer faculty, graduate students, and postdoctoral researchers the opportunity to develop the necessary skills to ensure their research makes an impact beyond the academy.

Sessions will include:

**Why Policy? • Relationships & Networks • How to Write a Brief
• Troubleshooting Public Engagement • Media Strategies and
Relationships • Policy Engagement in Practice**

This event is free and open to all faculty, graduate students, and postdocs at universities in Northern California. Space is limited. **Registration is required.** Refreshments and lunch included.
